Virtuox is a CMS approved Independent Diagnostic Testing Facility (IDTF) that performs Overnight Oximetry Testing through a web based technology platform. Your local oxygen supplier is the courier of the oximeter to and from the patient's home. A copy of the overnight oximetry results will be faxed to your office. Should you have any questions please contact our customer service at (877) 337-7111.

**Check All ICD-9 that apply:**

- |                 |   |                 |  |
|-----------------|---|-----------------|--|
| – 162.2-162.9   | Malignant neoplasm of bronchus and lung   | – 491.20-491.21 | Obstructive chronic bronchitis                       |
| – 391.8         | Other acute rheumatic heart disease   | – 492.0-492.8   | Emphysema  |
| – 398.91        | Rheumatic heart failure (congestive)  | – 493.00-493.92 | Asthma   |
| – 402.01        | Malignant hypertensive heart disease with heart failure                               | – 494.0-494.1   | Bronchiectasis                                       |
| – 402.11        | Benign hypertensive heart disease with heart failure                                  | – 496           | Chronic airway obstruction, not elsewhere classified |
| – 402.91        | Unspecified hypertensive heart disease with heart failure                             | – 780.51        | Insomnia with sleep apnea                            |
| – 404.01        | Malignant hypertensive heart and renal disease with heart failure                     | – 780.53        | Hypersomnia with sleep apnea                         |
| – 404.03        | Malignant hypertensive heart and renal disease with heart failure and renal failure   | – 780.57        | Other and unspecified sleep apnea                    |
| – 404.11        | Benign hypertensive heart and renal disease with heart failure                        | – 786.03        | Apnea  |
| – 404.13        | Benign hypertensive heart and renal disease with heart failure and renal failure      | – 786.04        | Cheyne-Stokes respiration                            |
| – 404.91        | Unspecified hypertensive heart and renal disease with heart failure                   | – 786.05        | Shortness of breath                                  |
| – 404.93        | Unspecified hypertensive heart and renal disease with heart failure and renal failure | – 786.06        | Tachypnea  |
| – 428.0-428.9   | Heart failure   | – 786.07        | Wheezing   |
| – 515           | Postinflammatory pulmonary fibrosis   | – 786.09        | Other dyspnea and respiratory abnormalities          |
| – 518.5         | Pulmonary insufficiency following trauma and surgery                                  |                 |  |
| – 518.81-518.89 | Other diseases of lung  |                 |  |
